25X1

f. The bill to amend the Military Personnel and Civilian Employees' Claims Act of 1964 to increase the maximum amount the United States may pay in settlement of a claim from \$15,000 to \$25,000 was signed into law by the President on 28 July 1982. This increase will become effective 1 October 1982, in terms of applying it to Agency claims processing. Headquarters [redacted] and the corresponding Field Regulation are in the process of being amended to reflect this increase. [redacted]

25X1

25X1

i. A total of 981 Headquarters Secure Telephone System (HSTS) instruments have now been activated at the Headquarters Building, completing Phase I of this project. Phase II, which consists of installing and activating an additional 1,500 instruments, is now in progress. [redacted]

25X1

j. Congress has passed a bill which includes a 1.3 percent deduction from federal salaries for Medicare. Approximately one and a half work years will be needed to implement required changes to both payroll systems by pay period one of 1983. A staffing plan to accommodate this unfunded requirement has been developed by Applications, Office of Data Processing. [redacted]

25X1

k. On 19 August members of the Office of Logistics Building Planning Staff visited with the resident officer in charge of construction at the new Defense Intelligence Agency headquarters site. Construction is running well ahead of schedule. The Department of Defense has levied no personnel security requirements on the construction work force. [redacted]

25X1

3. Significant activities anticipated during the coming week: none. [redacted]
